DEDICATION

The Class of 1987 is honored to dedicate this yearbook to Barry Quinlan. Many members of the class have been affected by his generous contributions of time and effort. Among other things, he was President of the Norwood Boosters Club for eight years, Publicist for Girls' sports in the Transcript for twelve years, and Publicist for the Band. He has helped many youths in his roles as Babe Ruth President, Little League President, and as a member of the Norwood Youth Commission. The Class of 1987 takes this opportunity to acknowledge and thank Mr. Quinlan for his many years of service to the youth of Norwood.

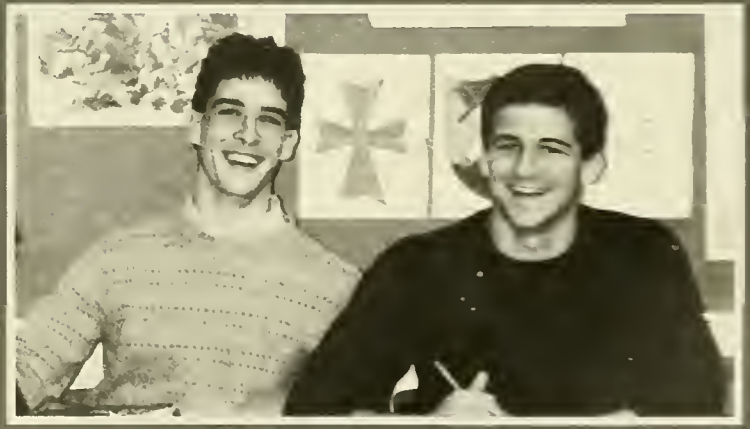
When you're down and troubled, and you need a helping hand, and nothing, oh nothing is going right



Close your eyes and think of me and soon I will be there to brighten up even your darkest night

You just call out my name, and you know wherever I am, I'll come running to see you again

Winter, spring, summer, or fall,
all you've got to do is call And
I'll be there . . . you've got a friend

TO ANY READER
As from the
house your mother
sees You playing
round the garden
trees, So you may
see if you will
look Through
the windows
of this book
Another child,
far, far away, And
in another garden
play But do not
think you can at all
By knocking on the
window, call That child
to hear you. He
intent Is all on his
play-business bent.
He does not hear,
he will not look, Nor yet be lured out of his book
For, long ago, the truth to say, He has grown up
and gone away, And it is but a child of air
That lingers in the garden there.

Under first year coach Gus Giardi, the football team didn't achieve all of its goals, but did have an exciting season. The team started on an upbeat, going 2-0, but then stumbled against the state powers. Led by quad-captains Ted Decareau, Paul Costa, Derek Ghostlaw and Tom Spognadi the team fought hard against four of the top ten teams in the state but came up just short. The team then rambled over Dedham on Thanksgiving Day to end the season on a positive note. Top Offensive Player Award went to Ted Decareau with the top Lineman Award going to Dan Needham. Coaches' Awards went to Derek Ghostlaw and Tim Raeke. This year's seniors would like to thank all the coaches and wish the best of luck to the next year's team.

Laura Connolly received the defense award, Sue Lynch received the goalie award, and Kristin Cieri was selected as M.V.P. The team would like to thank Coach Steih and Coach Solomon and also to wish next year's team a winning season.

NATICK, THEMSELVES

This year's volleyball team ended their season with a 2-16 record. The team never lost their spirit despite their disappointing record. The captain this year was Laura Foley. Susan Ludka was selected as the MVP and also selected as All-Star. The highlight of the season was an "intense" win against Needham. The team also beat Framingham South, winning the first two matches. The team would like to wish Coach Z, Karen Foss, manager Marie Silk, and next year's team the best of luck next season.

Despite the golf team's disappointing season, the players would like to thank Coach Frost for all his hard work and support. The team was led by second year players Jim Doherty and Joel Covitz. New members were Tom Cummings, Brian Adams, Todd Williamson, Brian Azzola, Larry Egan, and Scott McLeod. The team wishes Mr. Frost the best and hopes for a successful season for next year.

ADVANCE TO STATE TOURNAMENT

Due to many disappointing injuries, the Mustang wrestling team did not fulfill all of their goals. Team Captains Glen Brown's, Joe Zilfi's, and Rob Lee's injuries were among those which greatly affected the team. However, strong performances were turned in by Jeff Sullivan, who became a sectional champ, and Tony Daigle, who placed third. Other strong contributions were made by Matt Kelley, Jim Grover, Manny Neves, Frank Vinas, Jeff Keats, and Chris McGhee. This year's seniors would like to wish best of luck to next year's team and coaches Mike and Joe McDonough.

BAY STATE LEAGUE ALLSTARS!

The Norwood Girls' Basketball Team, led by tri-captains Maura Herlihy, Laura Connolly, and Renee Waitekus, posted a record of 12-6 this season. The team started off strong but fell short mid-way through the season due to numerous injuries. The Stang Girls never gave up and played a tough second half of the season. They won their last four games which included defeating a second place Dedham team. On to the tourney they went, but were defeated by a powerful Barnstable squad. This years seniors would like to thank Mr. Parker and Mr. Riley for a great three years, and to wish next year's team the best of luck.

BSL CO-CHAMPIONS

The 1986-87 Boy's Basketball team came into the season with big shoes to fill. They filled them and then some. Led by tri-captains Derek Ghostlaw, Ted Decareau and Bill Brigham, the team sprinted out to an 11-0 record. Marred with injuries and sickness, the team still managed to win the league championship with a 15-3 record. The team fielded four all-stars: Derek Ghostlaw, Tom Maher, Scott Generazo, and league MVP Bill Brigham. The team then proceeded to go as far as any previous Norwood team had before in the Tournament. They defeated Hanover in a 17 point comeback victory and rival Milton for the third time this year before losing to Boston Tech in the semifinals. The seniors would like to thank Coach Johnson, Coach Ryan, and Coach Brown and wish the team the best of luck in the future.

This year's Norwood Mustang Hockey Team had a good season. Although the team was plagued by countless injuries to key players, the Mustangs compiled a 7-10-1 record in the highly competitive Bay State League. The team was lead by Tri-Captains Mike Martin, Brian McKenna, and Tom Lloyd. The Mustangs worked hard all year and never gave up. The other seniors who had a good year were Joe Cohen, Pat Nally, Rich Lovell, and Nick Giandomenico. The highlight of the season was when the Mustangs defeated arch rival Dedham 5-3 in the last game of the season. The seniors would like to thank the coaches and wish next year's team the best of luck.

FINISHES A STRONG 8-1 IN THE BSL

Continuing their tradition of excellence, the 86-87 Indoor Track team lost only to league champ Braintree, runner-up in the BSL. Led by tri-captains Joe Medio, Mike Woods, and John Fraone, Norwood also finished sixth at the State Relays and fourth in Class C. Outstanding performances were turned in by State Class C champions Ed Rios (high jump) and Steve Venditti (shotput). The shotput team of Venditti, Dan Needham, and Mike Woods was also a winner at the State Relays. Best of luck to next year's team.

Firefighter's Prayer
by James J. Metcalfe

When I am called to duty, God . . . Wherever flames may rage . . . Give me the strength to save some life . . . Whatever be its age . . . Help me embrace a little child . . . Before it is too late . . . Or save an older person from . . . The horror of that fate . . . Enable me to be alert . . . And hear the weakest shout . . . And quickly and efficiently . . . To put the fire out . . . I want to fill my calling and . . . To give the best in me . . . To guard my every neighbor and . . . protect his property . . . And if according to my fate . . . I am to lose my life . . . Please bless with Your protecting hand . . . My children and my wife.

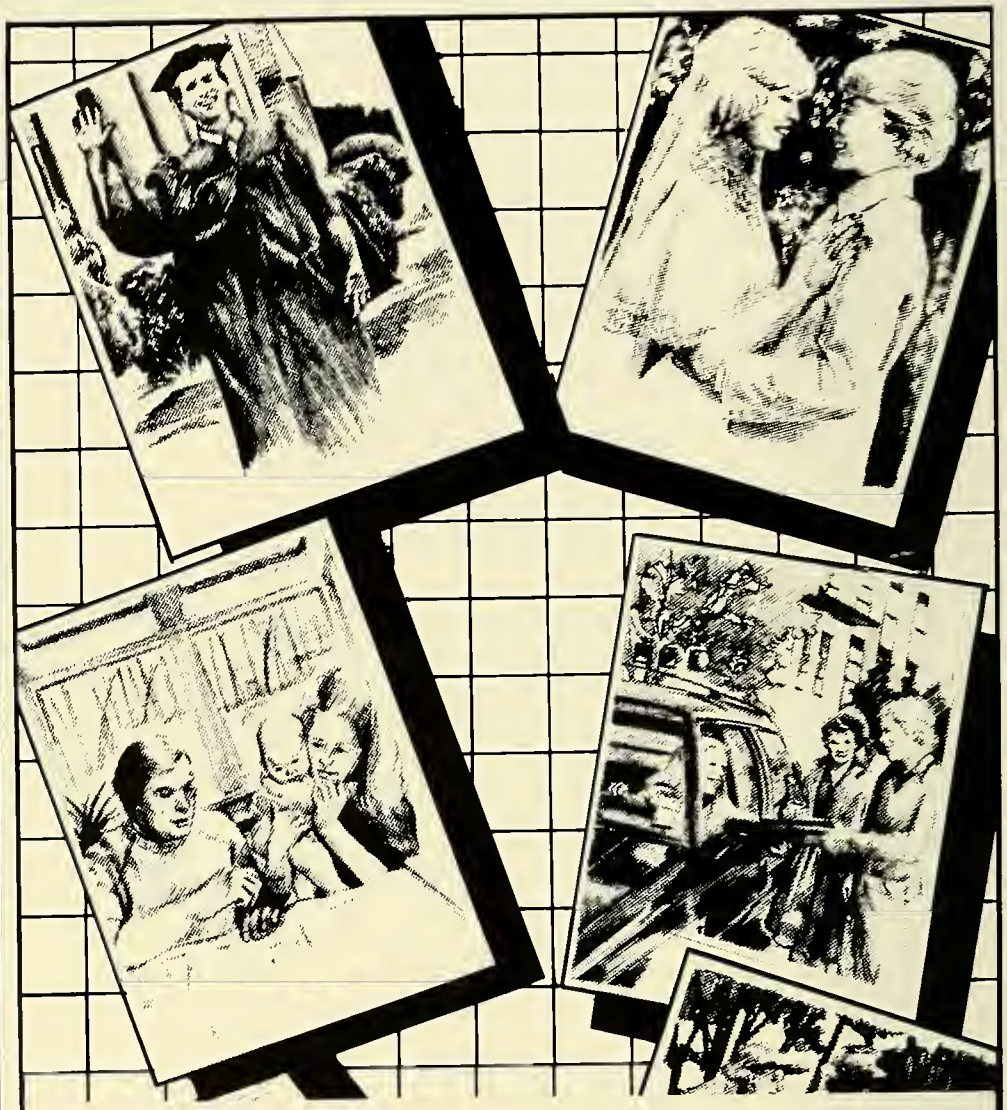
I KNOW KARATE . . .



How your life changes determines how we can help:

As your life changes, so do your financial needs. Young families, for example, have a great need for borrowing. Income is usually reduced as a parent leaves the labor force. Yet expenses are increased due to an extra mouth to feed. We can help with a variety of low-cost loans.

On the other hand, retired couples have little need for loans. They are concerned about safe, profitable investments. Investments that increase their retirement income. We can help with fully-insured term accounts that guarantee interest payments.

Whatever your age, whatever your needs, we'll help you your whole life through. From buying your first car to providing a tax-sheltered retirement fund, you can expect a helping hand from us. To find out more, call or visit our office soon.

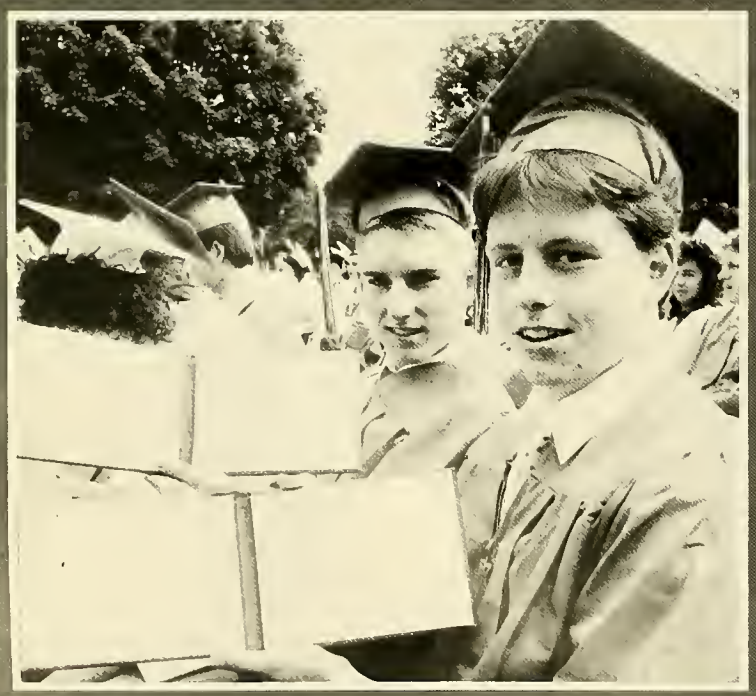
GRADUATION JUNE 7, 1987



We, the members of the Norwood High School Class of 1987, being of relatively sound mind and body, do hereby acknowledge this document to be our last will and testament:

ARTICLE I: To Mr. Piccirilli: The Class of 1987 leaves three carefree years for his upcoming retirement in thanks for the three he gave us. We would also like to leave him a barrel with wheels for picking up all those papers in the halls.

ARTICLE II: To Mr. Gallahue: We also express our thanks, and for those announcements on the intercom, we finally leave him with *"any* information" concerning any "grave and serious incidents."

ARTICLE III: To Mr. Usevich: We would like to thank you for all your hard work. We also decided we weren't going to leave you anything about your Corvette, or anything about your all-season tan, so we decided to just leave you . . . nothing.

ARTICLE IV: The class of 1987 leaves behind a gift of all our unpaid parking tickets to the class of '88.

ARTICLE V: Andy Troiani leaves Lisa and Robin Cavallaro a crash wall and catch net surrounding their pool.

ARTICLE VI: Ted Decareau, Scott Generazo, Derek Ghostlaw, and Jim Delbou leave Beaver Barrett, Steve Lyons, and Brian Sullivan some rhythm for their next Mustang Shuffle. And to Sully, they also leave some censored lyrics.

ARTICLE VII: To Mr. Fuccillo: The Class of 1987 would like to thank you for making our senior year the greatest. We'd like to thank you for the semi-formal, air band, ski trip, and for sticking with us during the variety show. And about the prom — Fooch, where did you ever dig up that D.J.?

ARTICLE VIII: Laura Connelly leaves Glen Brown a cowbell so she'll be able to find him in college, too.

ARTICLE IX: The Class of 1987 leaves behind some good news and some bad news for the class of '88. The good news is we are taking Jim Campbell with us; the bad news is Mr. Katchpole is keeping the same gym program we had this year.

ARTICLE X: The Class of '87 leaves Terri Ferri an elevator for those dangerous trips down the stage steps.

ARTICLE XI: To next year's basketball team we leave the challenge to repeat as Bay State Champs. And also hopes for the same dedicated Blue Crew fans to lead them to victory once again.

ARTICLE XII: Joe Carchedl, Pat O'Brien, and Jim Rankin leave the challenge to next year's bands to choose a *longer* song for their variety show.

ARTICLE XIII: Mark Sinacola leaves all his bad jokes to Tom Benson.

ARTICLE XIV: Dave Breen leaves the 25 pounds of bacon he got in last year's will to his new recruits — Bob Mahoney and Rob Ringler.

ARTICLE XV: This year's boys' and girls' soccer teams would like to leave next year's team a victory — if they had one to give!

ARTICLE XVI: To Mr. Peterson: We leave a Bobby Brady hall monitor patch and an army of helpers to guard every inch of the school.

ARTICLE XVII: To Scott Calendar: We leave a free-of-charge car rental service at Ole Miss — the Ivy of the South.

ARTICLE XVIII: The Class of '87 leaves our sincere congratulations to the cheerleaders on capturing the Bay State League title and for also competing in the nationals held in Florida. Everyone is invited to their celebration party, but this time they will supply their own music.

ARTICLE XIX: Terrence Burke and Chrissy Towne leave *hairdos* and their *hairdyes* behind to all the skateboarders.

ARTICLE XX: The "Fat Boys" (Williams, Rogers, and Molino) leave with their *intense* cars and their girlfriends in a cool place to live very far away.

ARTICLE XXI: The Class of '87 would like to leave an extra supply of elevator keys, crutches, and helpers to carry books, for all the injured.

ARTICLE XXII: To Mike Wall: We leave our extended congratulations for being selected as Division I Baseball Player of the Year, and also being chosen in the 1987 baseball draft.

ARTICLE XXIII: To Mr. Powell, we leave a lifetime supply of Diet Pepsi, even though we know it will take more than that.

ARTICLE XXIV: For some faculty, we add Lewisburgers to the menu of the faculty dining room so they will feel more at home.

ARTICLE XXV: Brian McKenna and Susan Johnson leave their title as class couple to Lisa Trusevich and Bill Pusateri.

ARTICLE XXVI: To Mr. Savage: We leave him the right to call off school on those snowy days next year.

ARTICLE XXVII: To Mike McDonald, Joe White, Matt Sarno, Debbie Smith, Barbi Rogan, Brian Sullivan, and of course, Andy Troiani — We leave them a "crash" course at A&B driving school.

ARTICLE XXVIII: The Class of '87 would like to thank our Memorial Day assembly guest Dave Roever for sharing the realities of Vietnam with us. We just have one question — did he get his jokes from the bad joke game show?

ARTICLE XXIX: The Class of 1978 leaves each other as friends and with hopes to retain the many friendships we have gained through all the years. Although there are many members who are not with us today, we'd like them to know they are still considered as members of the Class of 1987.

The Class of 1987 leaves many fond memories of the School on the Hill and our heartfelt thanks to the administration and faculty for their help and support over the last three years.

Close the door softly
Behind you this day.
Latch it with love
Before turning away
From these halls, ivy-grown
And the joys you have known
Through these years quickly flown —
Hold them fast, while you may.
